# BUDDIES

## YEAR 5 BUDDIES

Beginning Primary School is a very exciting time for children. The Ma'Avar Program from Kindergarten to Prep is carefully planned and implemented to ensure a positive experience when your child comes to our Nagle Avenue Campus.

Through the Ma'Avar Program, the preschoolers are 'buddied' with Year 5 students. The relationships between the buddies strengthen with each visit and continue into the following years as our Primary leaders remain close to the Prep children.
