

Leibler Yavneh College Uniform Policy

Rationale

Students at Leibler Yavneh College enjoy the opportunities and benefits of being members of our College. It is expected that students will uphold the ethos and values of the College, both within and outside the College when in College uniform. Students must not act in such a way that the image of the school is brought into disrepute nor in a way that harms members of the College community. The College works in partnership with families who may be involved in purchasing or altering uniforms for their children.

For students at Leibler Yavneh College, wearing the school uniform fosters a sense of belonging, instilling recognition of themselves as an integral part of the College community. It also assists in developing pride in their appearance and in representing their school. In addition, our Uniform Policy aims to:

- Promote equality amongst all students
- Provide appropriate clothing that is cost effective and practical for our school environment
- Maintain and enhance the positive image of the College in the community
- Encourage students to present themselves appropriately and for Secondary students to prepare them for the expectations of workplaces.

Policy

Wearing the correct school uniform as per the Leibler Yavneh College Uniform Expectations is compulsory for all students of the College at all times.

Implementation

Leibler Yavneh College expects all students to attend school in full uniform as detailed in the Uniform Guidelines and Expectations.

On occasion, students may have a valid reason as to why they are out of uniform. On these occasions, students should have a note of explanation from their parents/guardians. This note/email should be submitted to the classroom teacher/Head of Year at the start of the day. The classroom teacher/Head of Year will then issue a Uniform Pass authorising the incorrect attire for a specified period. Families will receive an automated communication of this.

If a student is wearing the incorrect uniform and is unable to provide a valid reason, they will be issued with a Uniform Infringement.

Primary:

- First Infringement will result in an email home expecting that the issue be rectified within an agreed timeframe.
- Second Infringement will result in a lunchtime detention

- Further infringements will require a parent meeting with the Head of Year.
